Polished Gloss Standard / Textured Matt Standard

Specially selected colours that are usually held in stock and will meet most requirements.

Natural

Unique finishes that exactly mimic natural materials. Please note all these finishes have not only the look but also behave like the real material, weathering naturally if outdoors. However, the surfaces will mark clothes if brushed against so use indoors only in low footfall areas. Rust can be matt lacquered to avoid this problem on request.

Textured Metallic

Matt metal finishes with a rippled effect.
